David!

What's up, bro?
Why've you been ignoring my texts?

Oh...
Sorry about that.
I've been busy--
You know, big same and all.
That inflatable sumo suit is pretty cool.
Where'd you get it?
I borrowed it from my cousin.
He owns a party supply

store.
Where's your costume?
Oh...
I didn't feel like dressing up today...
You okay?

RUNNING!!

We should get to class.
I'll see you later, okay?

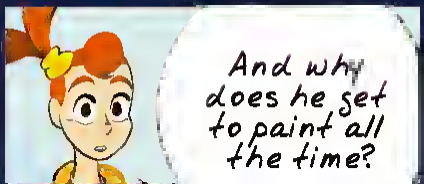
POINK!

HEY!
What was that for?!
David.
What's wrong?
Talk to me.

Sigh...

Oh, you mean the boy with the white hair?

Yes.
His name's Peter.
Peter Smith.

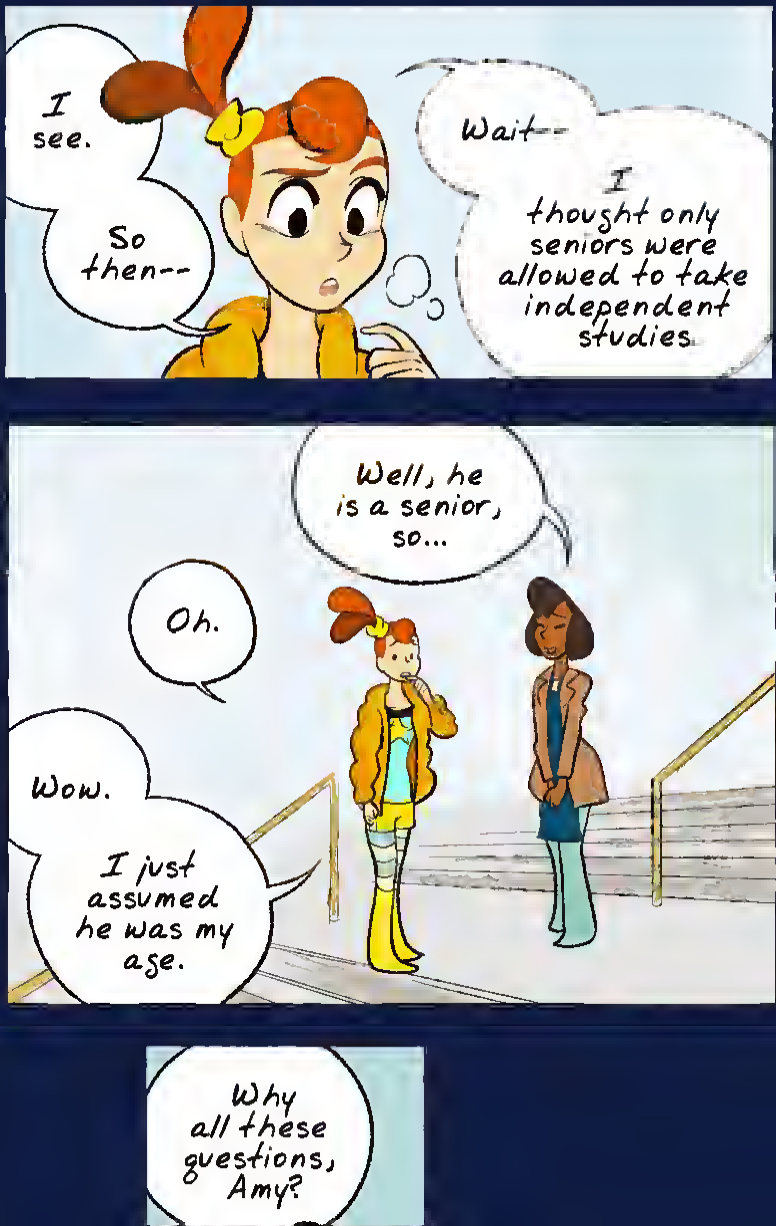


And why does he get to paint all the time?

Excuse me?

I mean, he doesn't seem to do any assignments--
He just sits in the back of the classroom and paints.

Oh, well, he's not actually in your class.
He's doing an independent study with me.
It's mostly self-led.



I see.
So then--
Wait--
I thought only seniors were allowed to take independent studies.
Well, he is a senior, so...
Oh.
Wow.
I just assumed he was my age.
Why all these questions, Amy?

...
Uh...

Do you have a crush on him or something?

What?
I'm sorry--
I shouldn't pry, but--
I've often noticed you staring at him in class...
Oh, no, no, no--
I don't have a crush on Oliver, he just--
Oliver?

I mean, Peter!
Um--
You know what?
I should probably get to class...

Don't worry!
Your secret is safe with me!

Oh my gosh, that was SO embarrassing!
But at least I know Oliver's

alias now...

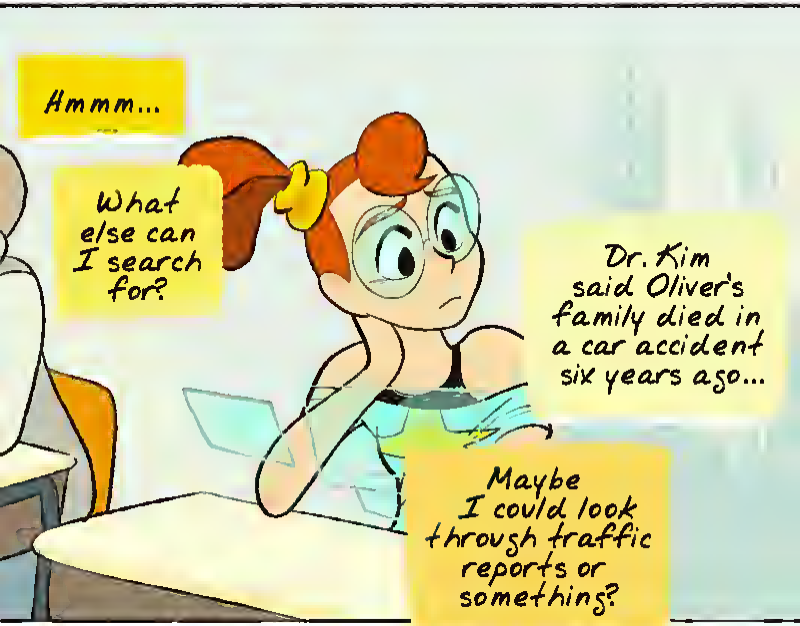
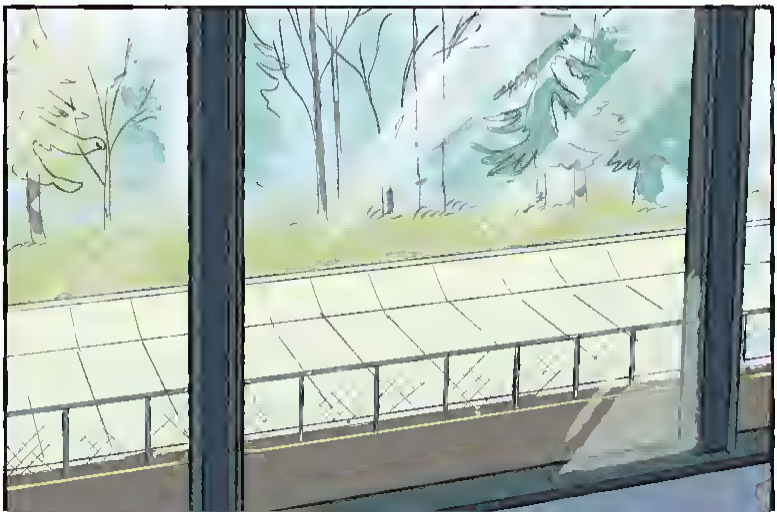
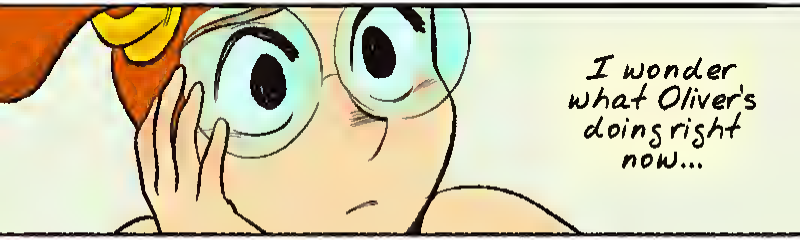
Wow, there's millions of Peter Smiths online.
There's no way I'll be able to find Oliver in this mess.



Hmmm...
What else can I search for?
Dr. Kim said Oliver's family died in a car accident six years ago...
Maybe I could look through traffic reports or something?





I hope he's okay...
